

**ADDITIONAL DIRECTIVE (II) ON REQUIREMENT TO USE
FLETCARD FOR SALES OF DIESEL AND GASOLINE FOR COMMERCIAL
VEHICLES AND VESSELS**

DIESEL and GASOLINE are subsidised petroleum products and their export is restricted under the Customs (prohibition and restriction on Imports and Exports) Order.

As part of the efforts of the Government of His Majesty the Sultan and Yang Di-Pertuan of Brunei Darussalam to ensure the sales of petroleum products are continually controlled, the Energy Division of the Prime Minister's office hereby announces the following steps with immediate effect;-

- i. For commercial vehicles, each filling shall be directly into the original tank of the vehicle and shall use Fleecard approved by the Authority;
- ii. For commercial vessels, each filling shall be directly into fixed and/or portable tanks which meets internationally approved safety standards and shall use Fleecard approved by the Authority. Each filling shall be made from a designated petrol station or from BSM Commercial Bunkering Facilities or BSM approved Commercial Bunkering Facilities;
- iii. All purchases for industrial use shall use Fleecard approved by the Authority. Each purchase at petrol stations shall not exceed 400 litres, shall be in portable tanks which meet internationally approved standards and shall be restricted to Brunei Darussalam identity card holders only; and
- iv. Rates to be paid and maximum volume for oil products purchase using Fleecard stated in this Directive will be set by the Authority.
